

## Our Mission

The mission of the **Humane Society of Chittenden County** is to foster compassionate treatment of animals and prevent animal suffering; to strengthen the human-animal bond; and to further the cause of responsible animal ownership through education and public awareness.

Educating the youth of our community is our best hope for a future free of animal cruelty and neglect.

Each camp session will reflect this mission, furthering the campers' understanding about the animals in our community.

**"Camp Paw Paw is a great way to learn about animals while having fun!"**

**Camp Paw Paw** offers a unique learning experience for children who share one thing in common: **their love for animals.** During camp, children will learn about a wide variety of topics including:

**proper pet care, animal safety, homeless animals in our community, animal-related careers, HSCC's mission, and much more!**

Each topic will be led by professionals in animal—related fields. Through different activities and lessons, campers will develop the skills and confidence to become knowledgeable animal caretakers and ambassadors for animal welfare. Campers will leave with a better understanding of the unique bond that exists between humans and animals.
